Medical Service Separation Clause

Membership benefits and account credits cannot be applied toward functional medicine services, including but not limited to consultations, diagnostic testing, or medically directed treatment plans. These services are billed independently and may follow different pricing and eligibility structures.

Eligible Services:

- Aesthetic services (e.g., wrinkle relaxers, dermal fillers)
- Skincare and Skin Resurfacing treatments
- IV therapy and wellness services
- Select retail products (if applicable)

Excluded Services:

- Functional medicine services
- Medical consultations related to functional medicine
- Lab testing and diagnostics
- Specialized medical treatment plans
- Any services deemed ineligible by provider discretion
